Requalification of Byrsa Acropolis and Rehabilitation of the Carthage National Museum

BEZ+KOCK ARCHITEKTEN represented by Thorsten Kock in consortium with Koeber Landschaftsarchitecture and Grauwald Studio has received first prize in the international one-stage design competition for the Requalification of Byrsa Acropolis and Rehabilitation of the Carthage National Museum in Tunisia.

The UIA-endorsed competition was organised by Expertise France, in collaboration with the Tunisian Ministry of Culture and with the support of the European Union. Participants in this international competition submitted their projects anonymously.

The 94 projects from 30 different countries will be exhibited in the former premises of the National Museum of Carthage beginning mid-May 2023.

The 6th edition of the Baku International Architecture Award, Region II

This biennial award, open to all qualified architects in the world and endorsed by the UIA since 2013, seeks to discover new ideas for the development and implementation of urban planning and architectural designs, more meaningful design for buildings and structures, search for composition, volumetric and spatial solutions, and the implementation of practical ideas to achieve the maximum diversity.

Deadline for submission of entries: September 1, 2023.
